

Appln No.: 09/673,964
Amendment Dated: September 28, 2004
Reply to Office Action of April 8, 2004

REMARKS/ARGUMENTS

This is in response to the Ex Parte Quayle action mailed September 23, 2004. The Examiner indicated that all claims were in form for allowance but objected to the abstract, because it was less than 50 words in length. Applicants have replaced the abstract with one based on the allowed claims which contains 62 words.

An extra copy of the abstract on a separate sheet with appropriate title is attached.

Accordingly, this application should now be in form for allowance.

Respectfully submitted,
